Explore as many sites as you can, take into consideration all the discounts that you

Of course, online shopping is not rocket science that you need to study [.

Also, there are many stores which reward you for your loyalty (if you keep buying things from them) and which, because of that, can offer a discount for all your purchases.

This might take a while, especially if you plan on being quite thorough, but your effort and the time spent will definitely pay off.

However, bear in mind that there are other things that you can do and that can allow you to save even more.
