Of course, online shopping is not rocket science that you need to study [.

Explore as many sites as you can, take into consideration all the discounts that you

This might take a while, especially if you plan on being quite thorough, but your effort and the time spent will definitely pay off.

Also, there are many stores which reward you for your loyalty (if you keep buying things from them) and which, because of that, can offer a discount for all your purchases.

Although shipping costs are never that big, there is no reason why you shouldn't get it for free if you can, especially if you were planning on spending that kind of money anyway.
